REACH – Declaration

Dear Sirs,

On June 1st, 2007 the REACH regulation came into effect. (*REGULATION (EG) No. 1907/2006 OF THE EUROPEAN PARLIAMENT AND COUNCIL dated December 18th, 2006 for registration, rating, authorization and restriction of chemical substances (REACH), for creating an European Chemical Agency, for revision of Directive 1999/45/EG and removal of Regulation (EWG) No. 793/93 of the Council, for Regulation (EG) No. 1488/94 of the Commission, for Directive 76/769/EWG of the Council and for Directives 91/155/EWG, 93/67/EWG, 93/105/EG und 2000/21/EG of the Commission*).

The arrangements of the REACH regulation for registration of substances is intended for manufacturers and importers of substances, suppliers of substances and compounds and also manufacturers and importers of products, that should release a substance, in case of normal and reasonably predictable application. The regulation for information obligation regarding downstream users addresses to manufacturers or importers of products.

We only deliver products (no substances or compounds). Additionally the products you have purchased should not release any chemical substance under normal and predictable conditions. Therefore, we are not subject to the duty of registration regarding the REACH regulation.

According to present knowledge, ARCA products do not contain more than 0.1% (w/w) of substances mentioned on the candidate list.

We commit ourselves to match our products regularly according to REACH regulation considering information given by upstream users regarding substances mentioned on the candidate list. As far as we consider our products are obliged to information we will contact you unsolicited.

With best regards,
ARCA Regler GmbH
